Guidelines For Public Comment

The Health District of Northern Larimer County Board welcomes and invites comments from the public. Public comments or input are taken only during the time on the agenda listed as 'Public Comment.' Public Comment is an opportunity for people to express your views and therefore the Board of Directors generally does not engage in back-and-forth discussion or respond to questions.

If you choose to make comments about any agenda item or about any other topic not on the agenda, please use the following guidelines.

Before you begin your comments please:

- Identify yourself. Please spell your name for the record and let us know if you reside in the District.
- Tell us whether you are addressing an agenda item, or another topic.
- Please know that you will have up to 5 minutes to present public comment. However, the time allotted for public comment may be limited, so the Chair may need to shorten the time limit as necessary to give each commenter a chance to speak.
- Please address your comments to the Board of Directors, rather than individuals.
